FCC Appeal # 131896

Case# 275068

SPIN # 143004597

FRN# 1699048033

Continuation of funding year 2831131

471# 161024467

Abacus Computers Inc. is filing this appeal.

A few things have caused our invoice # 120223 to be delayed in getting paid. This project with Grand Falls Royalty ISD was delayed due to their new building not being ready for us to install our equipment. This is a new building that was behind completion schedule. Also, Abacus should have filed an extension, but did not do so. Mark Singh at our office was preparing to retire, and must have overlooked filing the extension.

We were not able to complete the installation until August 14, 2018. At that time we completed our invoice # 120233 total \$21,134.00, showing USAC portion of \$17,963.90, and Grand Falls Royalty ISD portion of 3,170.10. Grand Falls Royalty ISD has issued payment of their portion.

Please help us to approve this appeal for payment of the USAC portion of \$17,963.90.

Regards,
